Eastview Legacy exists to serve the members and attenders of Eastview Christian Church.

Our objective is to help you understand estate planning as a dynamic process that, when properly done, should be responsive to both your present and future personal circumstances. For that reason, regardless of your age, it is an important matter that should not be overlooked.

Whether you are an individual contemplating a revision to an established estate plan or just today beginning to consider the essential elements necessary for a foundational estate plan, we sincerely hope you find the information within helpful as you contemplate how best to continue the effective stewardship of all that God has entrusted to your care.
